How to review

Each venue below has a box to tick. Check the name, type, address, and that the map link opens on the right building or place. Source links show where each fact came from and when.

Locations come from OpenStreetMap. Names and addresses come from the venue's own site where it was reachable, otherwise from a city page, Wikipedia, or a tourism listing. Crystal Bridges and the Momentary are cited from Wikipedia on purpose: their terms ban robots.

To change anything, tell me and I'll edit the seed file and regenerate this report. Any edit changes the sha256, so sign-off applies to the new version.

To approve, add this line to data/venues.seed.json (or ask me to):

```
"reviewed": { "by": "Vlad", "at": "<YYYY-MM-DD>", "sha256": "b5d305690175db1602ac9ee6827d84b32ab4d9689c7c6b5f7e1fe9bc1ce27fb9" }

Judgment calls

New in this version (round 4)	Three venues from the Ticketmaster coverage report: Ozark Music Hall (formerly JJ's Live), Barnhill Arena and Razorback Field, both under University of Arkansas. Nothing else changed since your 2026-10-03 sign-off.
Razorback Field address	Three candidates: the athletics department's 449 S Garland Ave, Ticketmaster's 449 Stadium Dr, and OSM's 1175 W Carlson Dr. Only the athletics address geocodes, 95 m from the field. Used it.
Barnhill Arena address	The athletics page lists "131 Barnhill Arena or 285 N. Stadium Drive". The street address is the physical one, so 285 N Stadium Dr.
Ozark Music Hall	OSM still names the building JJ's Live; same address as the venue's own site. Alias JJ's Live kept, since older listings use it.
Owner-verified	Walmart AMP website, Gulley Park and Lake Atalanta ZIPs, Arvest Ballpark name and address (springdalear.gov page). Shown in purple.
Walton Arts Center, Walmart AMP	Name and address cited from tourism listings, not from WAC-run sites.
Parents	Bud Walton, Razorback Stadium, Baum-Walker, the Faulkner Center, Barnhill Arena and Razorback Field sit under University of Arkansas. Botanical Garden of the Ozarks sits under Lake Fayetteville Park.
Not included	Smoke & Barrel, Arkansas Air & Military Museum (no reliable map location); Arts Center of the Ozarks (no venue since 2020); Murphy Park, Siloam Springs Public Library (no address on an official page).
