Decisions already made

The Ramble is typed *area* (you approved this): the city gives the whole park no single street address.

Lower Ramble is 255 S West Ave. The city's facility page says only “255 West Avenue”. The city's Ramble map and description that you supplied place the Lower Ramble south of Center Street, between Gregg Avenue and West Avenue, including Fay Jones Woods. West Avenue addresses south of Center are S, so it's 255 S West Ave, recorded as owner-verified. The Census geocoder puts 255 S West Ave at 36.06008, -94.16567, on the West Avenue side of Fay Jones Woods, about 160 m south of the library.

Effect once seeded: the 3 Fayetteville events waiting for a venue (Weekend Starts ×2, Movies in the Park) resolve to Upper Ramble, and the pending Upper Ramble venue proposal can be approved. “Lower Ramble” never resolves to Upper Ramble or to The Ramble (the qualifier-word rule).
